- bablu-islam

### EDUCATION

2011 - 2022  
GREEN VIEW HIGH SCHOOL

- Department OF Science
- GPA: 3.8 / 5.0

### SKILLS

- Ethical Hacking
- Penetration Testing
- VAPT & Report Writing
- Vulnerability Researching
- Computer Networking
- Effective Communication
- Teamwork

### LANGUAGES

- English (Fluent)
- Bangla (Native)
- Hindi (Conversational)
- Urdu (Conversational)

### PROFILE

Ethical Hacker, Pentester and Red Teamer with over 2 years of hands-on experience in identifying and exploiting system vulnerabilities. Proven ability to implement security measures that prevent breaches, significantly enhancing system protection against malware and various cyber threats. Passionate about maintaining the highest ethical standards and ensuring data security in today's complex digital landscape.

### PROFESSIONAL TRAINING

- Creative IT Institute** 2022 - 2023  
**Cyber Security**
  - Advanced training in Ethical Hacking, Penetration Testing, and Network Security.
  - Hands-on experience with Nmap, Metasploit, Burpsuit, and so on.
  - Specialized in network hacking and vulnerability assessment.
  - Practical skills enhanced through real-world simulations.
- Cisco Networking Academy** 2023-2024  
**Ethical Hacker**
  - Advanced training in Ethical Hacking, Penetration Testing, and Network Security with Cisco.
  - Practical experience in network hacking, vulnerability assessment, and real-world simulations.

### WORK & PROJECTS

- 2022 - 2023
  - Gin & Juice Shop (E-commerce Platform, 2022-2023) Conducted Vulnerability Assessment and Penetration Testing (VAPT) to identify and mitigate critical vulnerabilities, enhancing platform security.
  - SecureBank Application (Banking System, 2023) Performed comprehensive penetration testing to uncover security flaws and provided actionable recommendations, reducing potential risks.
  - WebSec Tool Development (Personal Project, 2022) Built a custom vulnerability scanner for web applications, detecting SQL injection and XSS vulnerabilities. Available on GitHub:

### CERTIFICATIONS

CISCO - Ethical Hacking  
CISCO - Network Defense  
CISCO - Cyber Security  
Cyber Security - CREATIVE IT  
Penetration Testing - HTB
